

Ecolab Mobile Dispensing System

Portable dilution control system solves your mobile cleaning needs.

Multiple Applications

- Spray Bottle/Mop Bucket/Auto Scrubber/Foam
- Multiple dilutions at 2.5 GPM
- Works with water pressure as low as 10 PSI

Simple and Easy to Use

- Ergonomic design
- Quick installation
- Color/Number coding

Cost Effective

- Ultra Concentrates deliver more RTU
- Accurate dispensing
- Metering tips avoid product overuse/waste

Helps Improve Employee Safety

- Lock and key dispensing
- Integrated backflow preventer

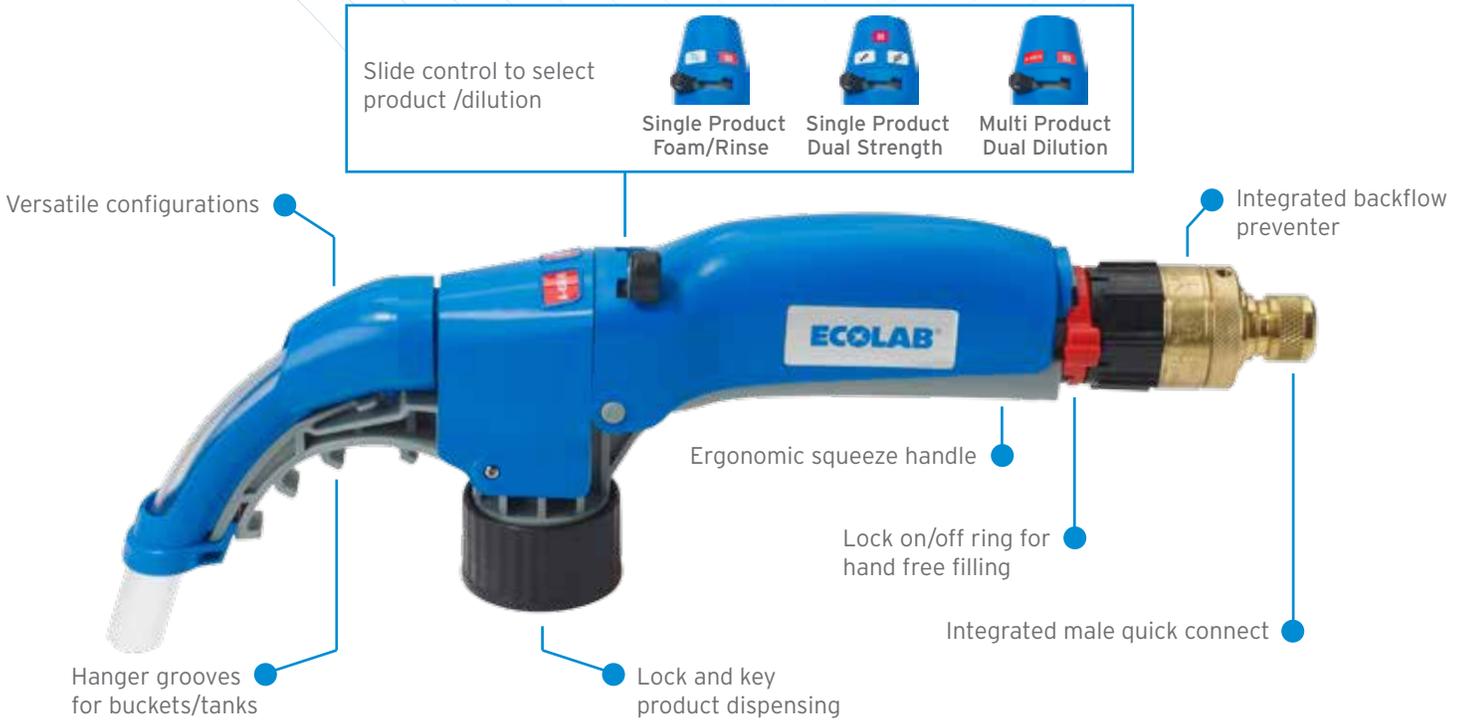

Bottle/Bucket

Foam/Rinse
