

**REDUCE
WATER & ENERGY
USE BY UP TO** **40%***

**ACHIEVE THE
CLEAN,
WHITE & SOFT
RESULTS GUESTS EXPECT.**

*Versus a traditional industrial wash process.

The Aquanomic Liquid Laundry Product Line

PRODUCT	DESCRIPTION	PRODUCT CODE	PACK SIZE
	LOW TEMP LAUNDRY DETERGENT NPE & phosphorus-free concentrated liquid detergent is formulated to deliver premium results at a lower wash temperature, leaving linens whiter and brighter.	6100445	15 gal
		6100446	55 gal
	LOW TEMP LAUNDRY DESTAINER Destainer formulated to retain bleaching power. For use with other Aquanomic low temperature products. Provides excellent bleaching and preserves linen strength and integrity. Helps lower overall linen replacement costs.	6100585	15 gal
		6100586	55 gal
	LOW TEMP LAUNDRY CLEARLY SOFT Premium performance liquid fabric softener with advanced chemistry. Delivers premium fabric softness and a fresh fragrance under tough water conditions.	6100588	15 gal
		6100589	55 gal
	LOW TEMP LAUNDRY SOUR Liquid sour for use with low temperature detergent and builder brings linen to a neutral pH. The phosphorus-free blend is effective for a wide range of conditions and on all fabrics.	6100438	15 gal
		6100439	55 gal
	LOW TEMP LAUNDRY BUILDER Liquid alkaline builder is effective at lower temperatures, tough on stains and gentle on linens. This concentrated formula inhibits scale formation and controls water hardness to ensure linens remain white over time.	6100441	15 gal
		6100442	55 gal
	LOW TEMP LAUNDRY IRON CONTROL SOUR Liquid sour specially formulated for use in areas with high levels of iron in the water. Use with Aquanomic low temperature detergent and builder to bring linen to a neutral pH.	6100667	15 gal
		6100668	55 gal

² Based on 160-room property, 75% occupancy rate, 16 pounds of linen per room, national average utility rates.

Get Clean, White and Soft Results, and Save Resources

- **One-Touch Ease:** Preprogrammed Smart Wash Process ensures consistent savings each and every load
- **Low-Temperature Chemistry:** Aquanomic chemistry is specifically formulated to deliver consistent clean, white and soft results at low temperatures
- **Precision Dispensing:** Eliminate waste and ensure optimal results with every load
- **World-Class Service:** Ecolab's team of experts offer unparalleled service and support 24/7/365
- **Award-Winning Innovation:** Aquanomic received the 2011 Cleantech Tekne Award for environmentally sound solutions
- **LEED Certification:** With reduced water and energy consumption as well as waste, Aquanomic helps you qualify for LEED certification in the Water Efficiency, Energy & Atmosphere, and Materials & Resources credit categories

A Sustainable, Smart Solution

The Aquanomic Laundry Program is an innovative way for your organization to make a difference by saving natural resources and improve your bottom line:

- Phosphate-free and NPE-free chemistry **helps protect waterways and the environment**

Safe and Easy to Use

- Closed loop dispensing and color coded products **improve safety and reduce exposure to chemicals**
