

AN EASY-TO-USE FLOOR CLEANER THAT PROTECTS YOUR FLOORING INVESTMENT

Ecolab No/Low Maintenance Flooring Cleaner and Protector

- ▲ **Unique formula preserves the original look of no/low maintenance flooring**
Cleans plus repairs minor scratches without adding gloss or a floor finish coating
- ▲ **Saves time and money**
Eliminates the need for additional maintenance steps, expensive restoration, and flooring replacement
- ▲ **Flexible and easy to use**
Simplified daily-use cleaner for a variety of cleaning application methods

Patent-pending technology provides additional benefits over standard floor cleaners to luxury vinyl tile (LVT), laminate and other no/low maintenance flooring.

Reverse the visual effects of standard wear and tear on no/low maintenance floors

Protect your image, floors and bottom line

Protect your image: Keep your floors looking nicer longer for a lasting positive impression

Easy to use: Eliminate need for additional training on products, equipment and procedures

Save time: Eliminate the need for additional maintenance steps and restoration

Save money: Eliminate the need for additional products and equipment

Simple daily cleaning solution cleans and protects the longevity of your floors
