- ▲ Cleans, removes stains and disinfects all in one product
- ▲ Effectively kills 99.9% of germs
- ▲ Kills Norovirus and Hepatitis A in 1 minute
- ▲ Deodorizes while leaving a clean, light bleach scent

.....

A simplified procedure for
cleaning, disinfecting and
stain removal.

.....

Keystone Bleach Disinfectant Cleaner is an EPA registered¹ solution specially formulated to kill 99.9% of germs including cold, flu, Norovirus and Hepatitis A while providing a simple all in one clean.

DIRECTIONS FOR USE:

(Read complete directions for use on product label before using this product.)

For cleaning and stain removal, spray onto surface and allow product to penetrate tough stains and soil. Wipe with a wet sponge or cloth and rinse with water. No scrubbing required.

For deodorizing, spray onto surface and allow to remain wet for 30 seconds. Wipe clean. Allow to air dry.

To disinfect hard, non-porous surfaces, spray 6-8 inches from surface until thoroughly wet. Let stand for required time.² Rinse or wipe clean. Allow to air dry.
