

KEYSTONE™

PREMEASURED POWDER DETERGENT PACKETS

Keystone Undercounter Machine Detergent

- ▲ A unique blend of wetting agents, soil suspension aids and hardness controllers that optimize results in all water conditions
- ▲ Approved by leading dishwasher manufacturers
- ▲ Leaves no film residue
- ▲ Available in premeasured portion-control packets

Detergent recommended
for use in homestyle or
undercounter dishmachines.

Keystone Undercounter Machine Detergent is specially designed for suite and condominium kitchenettes and homestyle dishmachines.

DIRECTIONS FOR USE:

1. Empty contents of packet into detergent dispenser compartment. Use 1 packet per 3 gallons of water.
2. Run machine as usual.

Note:
Refer to your local health regulations for additional guidance for sanitizer use.

Keystone combines the hospitality knowledge of Guest Supply with the cleaning and sanitation expertise of Ecolab. Our experienced and dedicated sales teams provide you personalized support to help you run a clean and safe operation.
