

Unit Dose Specialty Beverage Cleaner

Removes stains with minimal scrubbing

Multi use and effective

- For use with coffee and tea urns, brew baskets, espresso machines, portafilters, baskets and steam wands

Safe to use

- Safer product handling
- Requires no PPE
- Will not be confused with water or tea due to light blue color of noncorrosive solution

Easy on the environment

- Concentrated solid tablets contribute to reduced water, energy, and plastic waste

The tablet's solid chemistry is formulated to save water, energy, and packaging.

98.8%

reduction in plastic waste¹

1. Reduced plastic and cardboard waste enabled by minimizing packaging weight and materials due to solid tablet chemistry. Further detailed information for each product value found is located in disclosure details on Ecolab.com/ReadyDose.

DIRECTIONS FOR USE (coffee and tea urns):

- Dissolve one tablet per gallon (3.8 L) of hot water.
- Allow to soak a minimum of 10 minutes.
- Scrub if necessary; then rinse container at sink.
- Follow with an appropriate sanitizer.
Use in accordance with label instructions.
