Professional Cordless Electrostatic Handheld and Backpack Sprayers

When paired with our Keystone Peroxide Multi Surface Cleaner and Disinfectant, our Cordless Electrostatic Sprayers help to create an effective and efficient disinfection program for your spaces, big and small. Both the handheld and backpack sprayers are designed to save time and labor helping you optimize your operation.

- Patented technology provides an electrical charge to solutions
- Solutions are electrostatically attracted to surfaces with effective and even coverage
- Double-charged particles envelope all conductive surfaces - shadowed, vertical, and underneath
