

Cleaning Solutions For Hotels That Welcome Pets

Create Exceptional Experiences For All Guests

- ▶ Enable labor efficiencies with simple procedures and training on cleaning protocols related to pet guests
- ▶ Help promote pet safety by killing pathogens that cause Canine Parvovirus and Canine Distemper Virus²
- ▶ Help protect your assets through effective stain removal and odor elimination
- ▶ Reduce the number of products needed through streamlined procedures and use of multi-purpose solutions

Guests rank the **smell of their rooms** and the **overall cleanliness** among the most important attributes contributing to their satisfaction.¹

² When used according to the directions for use. EPA Reg. No. 1677-272 or 1677-273. Contact/Kill times for Rapid Multi Surface Disinfectant Cleaner:

- Norovirus, Canine Parvovirus, Canine Distemper: 30 sec at 4-6oz/gal. NOTE: Canine Parvovirus and Canine Distemper claims not approved in the state of California. Follow label directions for 5 min contact time.
- Murine Norovirus: 30 sec at 6oz/gal, 2 min @ 4oz/gal.

³ Claim approved by federal EPA. Soft surface disinfection and soft surface virucide are not approved in California. In California, please use soft surface sanitization application.

KILL PATHOGENS

Rapid Multi Surface Disinfectant Cleaner quickly kills pathogens left behind by pets on hard surfaces, and disinfects soft surfaces³, protecting staff, guests and other pets.

HELP ELIMINATE ODORS

Turn rooms quicker by using this fast-acting odor eliminator daily to biodegrade pet odors, such as urine, from hard surfaces, carpet, furniture and upholstery.

TACKLE STAINS

Help extend the life of your assets and minimize labor with simple, effective stain removal products for carpets, upholstery and linens.

Promote a higher level of cleanliness and employee efficiency

- ▶ **Streamline Operations:** Save time and simplify housekeeping with multi-purpose products and easy-to-follow procedures
- ▶ **Expert training and support:** On-demand digital training and on-site support for efficient and consistent onboarding, cross-training and knowledge reinforcement
